

Coca i Fitó Nu 2019

Organic Red Wine, without added sulfites

Wine Description

Young wine created 100% with red Grenache from old vines and organic farming. It contains no added sulfites and the wild yeasts derive from the same vine. This wine manages to convey the *terroir*; the essence of this variety and its environment. A naked wine that lets the Grenache and the land where it grows express themselves freely.

A very fresh wine, full of ripe fruits, lively, mineral, unctuous and silky.

Tasting Note

Colour: Dark cherry, medium high layer, bright, vivid, blue rimmed.

Nose: Fresh fruit, cherry, acid red fruit, aniseed notes, aromatic herbs, citric, fresh and with a vegetable touch.

Palate: Berries, blend of blackberry and orange peel, plum notes, candied. Very lively and full of character. It recalls the stone and the pencil mine of the soil. Meaty but delicate and fresh. Ripe, fresh and silky tannins. Good persistence in the mouth.

Food pairing

The perfect match: Tajine chicken and vegetables with citrus.

Solid choices: Grilled meat and vegetables, slow cooking lamb or pork, stews with hearty sauces. Surf and turf dishes like *platillos de l'Empordà* and cheese.

Surprising hits: Pork cheeks, grilled octopus or octopus with red paprika, curry chicken, beef stew, rabbit with crayfish and chocolate, mini grilled carrots with nuts and paprika sauce.

Production 3,400 bottles. **Service temperature at** 16° C

Packaging 75cl Burgundy bottles in cases of 6 units. – Natural cork

Label

Illustration by Jaume Coca. The name NU (naked) describes the essence of this organic farming wine that contains no added sulfites. The illustration depicts the nudity of a sleeping vine in winter but, at the same time, full of vitality. The colours used evoke the purity of the flavours of berries, red fruits, blue flowers as well as the minerality of this Grenache.
