PHINCA DURMIENTE

2017

Type of Wine: White Wine

Region: Sierra de Salamanca

Variety: 100% Rufete blanco

Presentation: Borgoña Bottle 75cl.

VINEYARDS

Sourced from White Rufete vines from the vineyards of the granitic soils of “Sierra de Francia” mountains and the slate “Sierra de Quilamas” mountains.

WINE MAKING

Hand harvested. Each grape was destemmed and selected by hand. The grapes are then foot crushed and the fermentation starts with native yeast. After fermentation the wine is pressed and moved to 500 L French oak barrels. We work with the lees for the first 6 months by rolling the barrels (battonage). The wine spends 2 years in oak.
